"It's not my word, it's Waris's. But they've refused. They want the Rule of Roke to separate men from women, and they want men to make the decisions for all. But outside, without you, I remember... I don't want to go, but I have to go. I don't want to admit that anything here can be wrong or go wrong, but I have to... THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel.
