AM].They came ashore in Ilien for water and food. Setting a host of many hundreds of men on its way so quickly had left little time for
provisioning the ships. They overran the towns along the west shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery,
looting what they could and burning what they left. Then the great fleet turned west, heading for the one harbor of Roke Island, the Bay of Thwil.
