In the Archipelago, the lore of the Old Powers was still part of the profound, common basis of thought and reverence. On all the islands, the arts mostly practiced by witches, such as midwifery, healing, animal husbandry, dousing, mining and metallurgy, planting and growing spells, love spells, and so on, often invoked or drew upon the Old Powers. But the learned wizards of Roke had generally come to distrust the ancient practices and made no appeal to the "Powers of the Mother." Nobody else knew what was going on. We fought. A long time we fought. And then it was over. He broke. Like a stick breaking. He was broken. But he fled away. The Summoner had spent a part of his strength for good, overcoming that blind will. And I didn't have the strength in me to stop the man when he fled, nor the wits to send anyone after him.
