And even when we were together, we never talked to each other, except to say practical things like 'When is your program going to be over?' Some people just aren't that interested in talking. Debra certainly isn't. That's why?" (He couldn't resist the chance to explain his earlier failures.) "I did so poorly on my earlier exams. Assuming I did get a low score last time, which isn't certain since the results were erased. But assuming that I did, that's the reason. I never got any practice. The basic day-to-day conversational experiences most people have with their spouses never happened in my case." "What could he want with a woman worthy of a prince?" asked Amos. I cannot rationalize electronically what happens. I cannot imagine the affection and hate and lust and fear cascading into her and pouring back out. But I see the antenna mesh around her naked body glowing suddenly whiter until it flares in an actinic flash and I shut my eyes. questions were harder than any questions ever heard by man or woman. mystery that Nolan had sensed the first time he saw her staring at him across the village compound three days ago. At first he thought she was one of the company people?somebody's wife, daughter, sister. That afternoon, when he returned to the bungalow, he caught her staring at him again at the edge of the clearing. So he asked Moises who she was, and Moises didn't know. Apparently she'd just arrived a day or two before, paddling a crude catamaran downriver from somewhere out of the denser jungle stretching a thousand miles beyond. She had no English, and according to Moises, she didn't speak Spanish or Portuguese either. Not that she'd. He stopped at the clearing's edge, raised his head, and sniffed.
